MUR 4911

Dear Sir:

I would like to file a complaint against the following named persons who I strongly believe are using government resources to further their campaigns for President, Senator etc., and should reimburse the taxpayers if found guilty of these frauds:

Mr. William Jefferson Clinton
Mrs. Hillary Rodham Clinton
Mr. Albert Gore
Mrs. Gore

The practice of scheduling a seminar and/or speech then using that to go on a fundraising trip far as I am concerned is tantatamount to fraud. For example, Mrs Clinton1 scheduled a 4 day campaign trip one week in NY using I presume an air force plane. Were the taxpayers charged for the cost of transportation and billing as well as food?

Mr. Clinton went a 4 day swing to depressed areas, no doubt using that lame excuse to go on a fundraising even in the evening.

Just this past Saturday, Mr Clinton went to Iowa to make a speech, and that evening went on 2 fundraising trips.

Last week Mr. Gore went on campaign trips from Phil. to Pitts and then down to Tampa. One trip I thought was outrageous of him flying to LA, then to Orlando for a fundraising then next day flying back to LA. The constitution specially states that the Vice President duties is to preside over in the senate. Faras I know Mr. Gore spent only 1 day presiding in that body His job is there and not fundraiser for the DNC.

Today Mrs Clinton is at Cape Kennedy to watch a launch, it should be interesting to see if this evening if she wil go on a fundraising event.

Thank you,

Samuel Vardanian
